

QUALITY AND FOOD SAFETY POLICY

VIOMES S.A. is committed to providing reliable, safe and high-quality plastic household products and related applications, fully satisfying customer requirements, applicable legal and regulatory requirements, as well as the requirements of the ISO 9001:2015 standard. At the same time, the company is committed to the continual improvement of the effectiveness of its Quality and Food Safety Management System.

The company implements an Integrated Quality Management System in accordance with the international standard ISO 9001:2015, as well as a Food Safety Management System based on HACCP principles, at all stages of production and distribution of its products.

In this context, VIOMES S.A.:

- invests in the technological upgrading of its equipment and processes,
- ensures the training and awareness of its personnel on quality and food safety issues,
- adopts a competitive commercial policy, aiming at the optimal quality–cost balance for the customer,
- systematically monitors and evaluates quality indicators, with the aim of continuously improving its products and services.

This Quality and Food Safety Policy provides the framework for establishing and reviewing the company's quality objectives and is communicated to all personnel, as well as to any interested party, whenever requested.
